

## **Baker Clause Policy Statement: Access for Employers and other Colleges**

Sir Simon Milton Westminster UTC uses the Gatsby Benchmarks as a guide to plan our Pathways and Enrichment programme. As part of our commitment to informing our students of the full range of learning and training pathways on offer to them, we are happy to consider requests from training, apprenticeship and vocational education providers to speak to students.

Sir Simon Milton Westminster UTC also seeks to build relationships with these partners as we plan our Enrichment and 'Focus on the Future' activity throughout the school year to ensure that providers have multiple opportunities to speak to students and their parents across years 10-13, to offer information on vocational, technical and apprenticeship qualifications and pathways.

Through contracting externally with the Education Development Trust (EDT), this ensures that staff involved in personnel guidance and pastoral support are up to date on their knowledge of these post 16 and post 18 pathways, through a higher level careers qualification. They are impartial and independent of the UTC.

Opportunities for providers to speak with students may include school assemblies, employer and provider engagement events or opportunities to speak with students and parents on a one-to-one basis supporting GCSE, post 16 or post 18 option choices.

Sir Simon Milton's Westminster UTC 'Focus on the Future' programme is monitored for quality and impact by the UTCs Senior Leadership and Governance Teams and monitoring of access to and opportunities to engage with, technical, vocational and training providers will form part of this process.

In the first instance, requests by providers should be sent to the Employer Project and Employability Lead, Melissa Leveridge (m.leveridge@westminsterutc.ac.uk ) with a minimum of 6 weeks' lead time.

All requests will be considered on the basis of; staffing availability to support the activity, clashes with other planned activity, trips or visits to the UTC, interruption to preparation for examinations or rooming and space availability to host the activity.
